FORT BENNING, GA. 31905-4500

BTC Company, 1st Battalion, 81st Armor Regiment transforms volunteers into disciplined, physically fit, confident, and competent 91M mechanics, who are adaptive, innovative, grounded in the Army Values and ready to contribute as a member of a team upon entering the operational force.

BRADLEY SYSTEM MAINTAINER

For a 91M Bradley Fighting Vehicle System Maintainers AIT requires 14 weeks of instruction including: classroom instruction, hands-on instruction, and field maintenance training. Skill sets your Soldiers will learn include hull electrical and engine troubleshooting, turret familiarization and operation, and automatic gun/turret field maintenance.
